

**Prairie Hills Transit is an essential service** and many **depend on Prairie Hills Transit** as their sole means of transportation for essential travel; therefore, we continue to operate service in a safely for the passengers and staff.

We fully support and comply with the federal mask mandate by the TSA (Transportation Safety Association) has extended the face mask requirement for all transportation networks, including public transportation, through **January 18, 2022**.

## Safety

We are taking all precautions to ensure our bus operators; riders and the community are **safe**. Prairie Hills Transit is following all local and national safety guidelines.

- We thoroughly clean and disinfect our buses **multiple times daily**, paying particular attention to **“high touch” areas**, such as handholds and railings.
- Operators have access to **personal protective equipment** should they choose to wear it.

If you have any questions or concerns, please ask for Barb or Lisa.

We are grateful for your continued support of Prairie Hills Transit, the public transit system that is reliable and dependable.
